To; Past Exalted Ruler,

You have attained the honor of being a Past Exalted Ruler of your Lodge. I commend you on this accomplishment. If you would like to continue to serve Elksdom, your Lodge and the Southeast Central District of the Florida State Elks Association, please consider becoming a member of the District PER association. You have shown to the members of your Lodge that you have the best interest of Elksdom and the programs we conduct foremost in your leadership.

The Southeast Central District is looking for Past Exalted Rulers who have the desire to attain a District, State and/or National office. This PER Association will elect a Chairperson and Secretary to hold meetings. The association will assist the District Vice President in raising funds for the State President visitation as well as the hospitality rooms at conventions and conferences. To engage in and make recommendations in other activities which will promote the good of the Southeast Central District.

We will be scheduling an organizational meeting to discuss the responsibilities immediately following the District Deputy Clinic on February 27, 2021 at the Sebastian Lodge at approximately 12:30 pm.

If you are interested in joining, please contact your lodge advisor or you can contact me at my email or phone number below. This a great opportunity to advance in Elksdom.
